

Dear friends,

It is my pleasure to inform you that we are now ready to test our Cyber Kata Competition. The first event we are having is the Female 35 and older open division. Each athlete will perform 1 Kata from the list provided in video format, simultaneously filmed from the front and side views. The entire body including the feet must be clearly viewed. Uniform requirements shall be strictly enforced.

Each competitor must open their own U-tube or Vimeo account, place their video accordingly, and provide the link on the registration form. Definitely no editing to enhance the performance will be permitted. The video link must be provided when submitting your registration form.

Please have all registration in by July 31, 2018.

A judging panel will be selected to view your performance and submit their score to our administrator.

Winners will be announced on the 1st of August with the link to their video.

Thank you for participating and let's make this a very successful event.

Respectfully,

Del Saito
TKFI Soke

Registration Form link: <https://TKFI.redpodium.com/tkfi-cyber-karate-kata-international-championship>

BE THE FIRST AND BE PART OF OUR HISTORICAL EVENT.
